Mark

It will take our office approximately 3 hours to gather, review, coordinate and submit the requested documents.

Let me know if we need to get to work on it.

Deborah, please consider this a request under Georgia's Open Records Act. I would like the following documents:

- All reimbursements of personal expenses to Tim Lee from May 1, 2014 to present.
- All checks signed by David Hankerson from May 1, 2014 to present.

Also, could you please provide an update on the records request for GMP documents reviewed by Heery International, which I made on Tuesday.

Thank you, and have a great weekend.
